MYSORE CITY MUNICIPALITY.

EXPLANATORY MEMO ON THE BUDGET ESTIMATES OF THE MYSORE CITY MUNICIPALITY FOR THE YEAR 1907-08.

Receipts:

I. Octroi.—The estimate under the several sub-heads are based on the actual realizations of the past six months of the current year and the realizations of the last six months of the previous year.

II. Taxes on houses.—The sanctioned budget estimate figure is retained for this year's estimate.

III. License receipts.—The estimated demand is based on the actual realization of the past six months of the current year and the realization of the last six months of the previous year.

IV. Carriage tax.—V. Taxes on animals.—As a Municipal Tax Collector has lately been appointed to the City, the estimated demand is entered with the hope that he would find out carriages or animals hitherto left out for want of proper check and bring them all for taxation.

VI. Tolls and ferries.—As the right to collect tolls at the several toll-gates is sold by auction, it is not possible to say what amount would be realized under this head. For budget purposes the actual receipt of 1905-06 has been taken.

VII. Other Mohatarfa taxes.—The estimate is based on the average realization of the past two years.

VIII. Rent.—The estimate is based on the realization of the last six months of the current year and the realization of the last six months of the previous year.

IX. Fines.—The estimate is based on the average realization of the past three years.

X. Miscellaneous.—A demand of Rs. 2,000 under the head (4) scavenging fees is entered as the system of daily conservancy has been ordered to be introduced tentatively in Chamaraj and Nazarbad Mohallas. The demand under other heads except contribution which was reduced from Rs. 20,302 (specially raised during last year with a view to deal with the special repairs of roads in the City on account of the visit of Their Royal Highnesses) to Rs. 7,770, has been based on the collection of last six months of the current year and the second six months of the previous year.

XI. Payments for Municipal services rendered to individuals.—No provision has been made under this head as the supervision of laying house service connections has been transferred to the Public Works Department as per orders of Government.

Expenditure.

I. Interest on debts.—A provision of Rs. 99 has been made under this head as per instructions contained in Government Proceedings No. 5248-57—Ml. 206-06-2, dated 18th December 1906.

Vice-President's pay.

II. Head office charges.—As an Assistant Commissioner drawing Rs. 350 per month has been posted to this Municipality as Vice-President, the provision under this head has been reduced from Rs. 6,000 to Rs. 4,200.

Besides the fixed charges on all other items a sum of Rs. 156 has been provided to meet the increments payable to munshi sanctioned by Government and increment to peons recommended by the Board as per details given in Form No. III.

The provision under office furniture has been raised from Rs. 40 to Rs. 500 as the Municipal office is very badly in need of tables, record-racks and almirahs, etc.

As approved by the Board a sum of Rs. 300 has been provided under the head reserve fund to increase the pay of officials whom the President considers deserving. As much inconvenience is felt by the Municipal Councillors for want of peons for each of them a provision for seven extra peons (on Rs. 5 each per month) has been made under this head.

III. Collection.—(*a*) *Octroi.*—Besides the fixed charges a sum of Rs. 60 has been provided to meet the increment of pay to the Sayer Daroga as per Government Order No. 73—San. (255-94)-6, dated 4th July 1905. The provision of Rs. 25 under the head "Reward for information of smuggling goods" has been raised to Rs. 250 with a view to encourage detection.

(*b*) *House and Mohatarfa taxes.*—Besides the fixed charges a sum of Rs. 1,596 has been provided to meet the pay of Municipal Tax Collector and peons sanctioned in Government Proceedings No. 7386-7—Ml. 568-05-9, dated 1st March 1907, and increment payable to Shroff sanctioned by Government and the increment of pay to peons recommended by the Board.

(*d*) *Rents.*—Besides fixed charges a sum of Rs. 24 has been provided to meet the increment payable to market peons as recommended by the Board.

IV. Conservancy.—(*a*) *Establishment.*—Besides the usual charges a sum of Rs. 1,980 has been provided to meet the increment of pay of four Sanitary Inspectors newly appointed, pay of peons, thoties and sweepers, etc., required for the extension of the City as already recommended in this office No. 28, dated 13th September 1906.

(*b*) *Other charges.*—Besides the usual charges a sum of Rs. 4,440 has been provided for the pay of carts required for the Extensions in the City and for providing establishment for the introduction of daily conservancy system tentatively for a year in Chamaraj and Nazarbad Mohallas as per orders of Government contained in their Proceedings No. 10873-4—Ml. (462-05)-4, dated 21st April 1906.

Provision has also been made for purchasing more night-soil carts and dust-bins and for re-numbering houses as many houses have since been demolished for the improvements of the City.

VI. Registration of Births and Deaths.—Last year's sanctioned provision has been retained.

VII. Lighting.—Last year's sanctioned provision has been retained.

VIII. Public Works.—(*a*) *Establishment.*—The pay and allowance of Sub-Overseer has been omitted as per Government Order No. 7386-7—Ml. (568-05)-9, dated 1st March 1907. Provision has been made to increase the pay of Municipal Executive Engineer from Rs. 80 to Rs. 100 per month as the Board have resolved to secure the services of an Engineering graduate on Rs. 100 rising to Rs. 150 by an annual increment of Rs. 10 with the usual allowance in place of the present Municipal Engineer as reported in this office No. 115, dated 7th March 1907.

(*b* to *n*) *Works.*—Out of the available funds after meeting the fixed charges, the amounts required to keep the roads and other works in an efficient order have been distributed under several heads. Particulars of works are given in Form No. II. All estimates for original works, etc., for Rs. 500 and upwards will be submitted to Government for sanction as usual. No provision has been made under Water Works as it has since been transferred to the Public Works Department.

IX. Charitable grants.—Besides the fixed charges on all the other heads a provision of Rs. 264 has been made to meet the ⅔rds cost of the establishment of the Dispensary at Weavers' Lines, Mysore.

Provision has also been made to meet the proportionate cost of a geyser required for the use of the Maharani's Hospital at Mysore as per Government Order No. 8732-5—Ml. 251-05-6, dated 22nd March 1907, and for a midwife to the Dispensary at Nazarbad as well as the increased rate of rent to the building.

X. Education.—As the Board intend to have one pial school for every 200 houses in the City for primary education and as the amount set apart for this purpose is quite insufficient to meet the requirements for giving effect to the above proposal, the allotment under this head has been increased from Rs. 9,600 to Rs. 12,000.

XI. Miscellaneous.—Rs. 931 has been provided in excess of the sanctioned estimate for 1906-07 with a view to meet the demands under the heads "Fairs and festivals," Peoples Park, other charges and other items such as reward for dog and snake killers and subsistence allowance to cholera contacts.

Closing balance.—Necessary closing balance has been retained.
